2-1/2"	930'	1860'	37,200' (40 PALLETS)
3"	880'	1760'	28,160' (32 PALLETS)
3-1/2"	630'	1260'	20,160' (32 PALLETS)
4"	570'	1140'	18,240' (32 PALLETS)
5"	380'	760'	12,160' (32 PALLETS)
6"	260'	520'	8,320' (32 PALLETS)

A truckload is equal to approximately 32 pallets of 10' conduit or 16 pallets of 20' conduit. QUEEN CITY PLASTICS reserves the right to ship orders to the nearest full pallet or container. All QUEEN CITY PLASTICS conduit comes with either integral coupling (belled end) or solvent coupling. Plain end is available upon request.
